# LEDGER

SIXTH YEAR.

MAYSVILLE, KY., SATURDAY, NOVEMBER 6, 1897.

ONE CENT.

## Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notions" for any more than a cash value. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

## We Knew We Had a Good Thing in the Stock of Goods

We bought by electric light a few days since. There is no small clap-net clothing advertisements in vogue just now that we refrained from saying very much about the purchase. We simply called the public's attention to it by telling them to look at the display of these goods in our windows and note the prices on them. We knew we would sell some of them. The warm weather left a doubt as to selling a great many now. The doubt is dispelled. Since the day we opened this purchase and placed them in our windows our store has been crowded with customers anxious to secure these unheard-of bargains. We advise our friends who contemplate buying Fall Suits and Overcoats not to let this opportunity slip. It is only once in a long time that circumstances arise that enable merchants to secure first-class clothing that can be sold for less money than the cheaply gotten-up stuff that is flooding the market just now.

Our \$2, \$2.50 and \$3 Custom-Made

## SHOES!

That we warrant to give satisfaction and cheerfully return the money if they do not have quickly sprung into favor. Out of town mail orders—and of which we receive many—receive prompt attention. Look at our show-windows; none like them in the state.

## OFFICIAL RESULT.

Figures That Wipe the Republicans Out of Power in Mason County.

The returns of both the county and city elections were canvassed officially yesterday, and THE LEDGER today presents the correct results.

Both County Judge and County Clerk being candidates for re-election, the "Returning Board" was composed of Sheriff Jefferson and Squires Miller and Howe.

The contest for Jailer being exceptionally close, it was deemed best, to avoid possibility of dispute, to have a representative of each candidate witness the count.

For this purpose Judge Garrett S. Wall was chosen for Mr. McIlvain and Hon. A. M. J. Cochran for Mr. Johnson.

The count of the city vote made no material change from THE LEDGER's figures given the day after the election.

Rev. Charles A. Barry, a London Preacher, has come to America to hold mass-meetings in the interest of the arbitration treaty.

Very heavy adverse majorities must come in from the missing counties to defeat the Constitutional amendment, which now leads by 11,466.

Judge Garrett S. Wall sold Thursday in Cincinnati the crop of nine hogsheads of tobacco raised by Thomas Castigan on the Thomas Wells farm at Helela. The price realized was an average of \$11.75 per bushel.

President McKinley expresses himself as pleased with the result of the election in Ohio.

The Court of Appeals extended the time twenty days for filing the petition for a rehearing in the case of Denning vs. Paynter's Administrator, taken up from Brecken county.

Mr. Samuel J. Shackelford, lately elected Clerk of the Court of Appeals, will be married November 10th, at Duluth, Minn., to Miss Marian, daughter of Mr. and Mrs. Beriah Magoffin.

The First Ward Night School is flourishing nicely, now that the election is over. Mr. Hal C. Curran the teacher is doing good work—for the love of the cause and not for money as some suppose.

When the Fiscal Court adjourned at the end of the first day's session last month, it set Monday, November 8th, as the date of next meeting. As Monday will be regular County Court Day, we'll have the novelty of two Courts with the same judge on the same date.

## CONSTITUTIONAL AMENDMENT.

Very Light Vote Pooled in Mason For a Mighty Good Measure.

The vote in Mason county on the proposed Constitutional amendment was very light, probably for the reason that business men did not investigate the merits of the measure, and because workmen—who were most vitally interested in its passage—took up the foolish notion that it was the intention to increase their taxes, when it was really designed for the encouragement of capital and manufacturers, upon both of whom the laboring man depends for employment and pay.

However, if the business men who have goods to sell and the workmen who have labor to sell can stand it, THE LEDGER certainly can, for it has nothing to sell and has no lack of employment any day in the year. What this paper said in behalf of the measure was in its own behalf for the benefit of others and not for its own.

Below is the vote of Mason county on the proposition:

Maysville	For	No
First Ward	13	23
Second Ward	10	30
Third Ward	13	37
Fourth Ward	8	45

## Mackintoshes!

Ugly weather ahead, lots of it, till we get the full quota of rain, so long delayed. That means Mackintosh time. We know what's expected of this store and we're ready to help folks to comfort and safety. You will notice improvement in the style and make up of these garments, and there's a noticeable easiness about the prices too. Here's a word of some: Zenda Mackintoshes, cashmere or cravenette face, double texture, plain, Klonkie or insid velvet collars, double detachable cape or Zenda cape, full skirt, plaid or solid lining, black, blue, green, garnet, \$3.50, \$5.

**CAPE**—Do not suffer from changes in fashion like jackets, and there are so many little new goods such a wrap. That's the reason for our great cape selling, for the great stocks we gather. They are principally imported, because capes are one of the things foreigners make in most ways best. But that doesn't elevate the price. Cloth capes from \$2.50 to \$20. Velvet and seersucker capes from \$5 to \$35.

**THE HANDKERCHIEF** FAD for lace footie edges is gaining popularity. We have beautifully sheer cambric and linen squares, dainty hemstitched ready for skillful fingers to apply lace or footie edge or both, as taste inclines. Save the time and trouble of hemstitching. Three qualities—15c, 25c, 35c. Plenty of handkerchiefs more costly of course, but that's another story.

## SATURDAY NIGHT.

**GINGHAM**—Staple as any goods you can name. Honest Apron Gingham, blue, brown, green, dark colors, the sort every woman needs more or less of and has always paid for. Saturday night you can buy the identical quality at 2c.
